MONELLI'S WINE COLLECTION

This selection is a love letter to the Mediterranean, where the vineyards are more than landscapes—they are legacies. Each bottle on this list represents a tale of tradition, artistry, and devotion, passed through generations of winemakers who have poured their hearts into creating wines that embody the essence of their regions.

From the sun-drenched coasts of Sardegna to the rolling hills of Provence, every wine in our collection has been thoughtfully curated to honour the rich viticultural heritage of these lands. Each winery's story is captured in the glass, offering a glimpse into the unique soil, climate, and hands that have shaped it.

It is our hope that you savour not just the flavours, but the journey that each bottle represents—a celebration of timeless craftsmanship and each memory's enduring spirit. May each pour transport you to the heart of its origin, as we, more than most, know that each glass is a celebration of life.

At Monelli, we believe that wine is more than a drink—it is an invitation to slow down, share, and connect.

Alla salute.
